

CAMP PHILOSOPHY

The primary emphasis of the GVBL Valley basketball camps is the development of basketball fundamentals. This will be accomplished through group lectures, small station drills, daily team practices, and games.

Paul Girone, the GVHS varsity girls head coach, will direct the girls camps. Alex Venarchik, an assistant coach at GVHS and former boys high school head coach, will direct the boys camps. The camp staff consists of dedicated coaches, along with Great Valley High School players, all committed to providing instruction in the great game of basketball.

Campers will be divided into groups by age and ability for instruction and game competition. Coaches will work with the players as a group and individually throughout the week. All competitive activities will emphasize the importance of good sportsmanship.

All net proceeds from the camps go to support the GVBL Bacton Hill facility.

Register early - space is limited!
